4. The Joint Controller (F&A), Jal Shakti Vibhag, Jal Shakti Bhawan, Shimla-05 for information please.

|
Engineer-in-Chief (JSV),
Jal Shakti Bhawan,
Shimla-05.

Minutes of 8th State Level Technical Committee meeting for FY 2021-22 held on 18.02.2022 under the Chairmanship of Engineer-in- Chief (JSV) at Jal Shakti Bhawan, Shimla -5.

8th meeting of the State Level Technical Committee to process the technical suggestions received from the officers of the department and the proposals of various Firms/ companies for registration and approval of their products/ services was held under the Chairmanship of Engineer-in- Chief (JSV) at Jal Shakti Bhawan, Shimla -5 on 18.02.2022 through Video Conferencing.

At the outset, the Superintending Engineer (P&I-I) welcomed the Chairman and all the members to 8th meeting of SLTC for FY 2021-22.

List of participants is as per Annexure "A" attached.

Accordingly, agenda items were taken up for discussion one by one as detailed below:

I. Proposal for Discussion:

Sr. No	Item Description	Decision
1	Minimum Capacity of Storage Tank for a Community.	CE Mandi presented the case for deciding the minimum capacity of storage tank in a water supply scheme in rural area. In hilly terrains like Himachal, cost of construction of a storage tanks matters and depends on manual labour, availability of material on road head and carrying/shifting the same to the site of tank at higher elevation to maintain water supply properly to the village. Presently in rural area, water supply schemes have been constructed or augmented under JAL JEEVAN MISSION [JJM] to provide Quantity of Qualitative Water Daily to Each Household with FHTC. This has increased the water requirement/ demand of each house hold -which need enough storage capacity to ensure regularity of supply as per JJM objective. Construction of vary small capacity storages is not only uneconomical but also require frequent addition in capacity due to increasing demand and supply level. All the Chief Engineers expressed their view on the agenda. As per topography of the villages and population of the habitation, Committee recommended to provide a storage tank of minimum capacity of 10000 L for a habitation having population upto 100 persons and beyond that, the minimum capacity of storage tank may be adopted as 25000 L.
2	Financial Powers of PWD & JSV Prevailing in Himachal Pradesh.	CE Hamirpur presented the completed case for amending the financial powers of respective officers in JSV in comparison to the financial powers prevailing in HPPWD. As the matter required further

		deliberation the Committee decided that written comments on the agenda shall be taken from all the Chief Engineers of the department and thereafter the issue shall be discussed in next meeting.
3	Cement -Steel Procurement by Contractors through HP State Civil Supply Corporation as per HPPWD Pattern.	Matter was discussed but it was felt that the matter requires detailed examination. Committee thereafter decided that written comments on the agenda shall be taken from all the Chief Engineers of the department and this issue shall be discussed thereafter.
4	Clarification regarding Clause 10 (C) of Form No. PWD 8.	CE Mandi presented the case regarding clarification of Clause 10 (c) of Form No. PWD 8. After discussion it is decided to consider it as per date of bidding as per CPWD manual as under: Clause 10(C) provides for re-imburement to contractor due to increase/ decrease cost as a direct result of coming into force of any fresh law or statutory rule or order (but not due to any changes in sales tax/VAT), in the price of material incorporated in the works (including the materials covered under clause 10CA) and / or wages of labour increased over prices/ wages prevailing at the time of the last stipulated date of receipt of tenders including extensions, of any, for the work during contract period including the justified period extended under the provisions of clause 5 of the contract without any action under clause 2. The increase should not be attributable to delay in the execution of the contract within the control of the contractor.
5	Regarding Department Monitoring Committee for implementation of State Litigation Policy in Consultation with the Head of Department.	The arbitration clause has been deleted from the form 8 of the department since 2020. Reference of DRC has been added instead of arbitration clause as under: Except where otherwise provided in the contract all questions and disputes relating to the Meaning of the specifications, designs, drawing and instructions herein before mentioned and as to the quality of workmanship or materials based on the work or as to any other question, claim, right matter or thing whatsoever, in anyway arising out of or relating to the contract, design, drawings, specifications, estimates, instructions, order or these conditions or otherwise concerning the works, or the execution or failure to execute the same whether arising during the progress of the work or after the completion or abandonment thereof shall be referred to the department grievance redressal committee is constituted by the Govt. of HP vide Sec. JSV letter No. JAL SHAKTI-B(E)5-3/2017 dated 27.02.2020. To examine the claim of the aggrieved party contractor:- 1. Engineer-in-Chief Jal Shakti Vibhag H.P 2. Zonal Chief Engineer Jal Shakti Vibhag H.P Chairman Member

		<p>3. Superintending Engineer Jal Shakti Vibhag of concerned circle Member 4. Joint controller (F&A) O/o E-in-C Jal Shakti Vibhag Member Sec. 5. Executive Engineer Jal Shakti Vibhag of concerned Division Member 6. Dy. Director (Legal) O/o E-in-C Jal Shakti Vibhag Member</p> <p>In case, the claim/ representation made by aggrieved parties is found genuine in that eventually the department level committee of above will recommend the claim to the committee constituted at the level of govt. notified vide even number dated 09-10-2017.</p> <p>In case, of any dispute/ difference further arising out of said contract, the same shall be subjected of jurisdiction of civil court with in the territory of Himachal Pradesh</p> <p>The Form 8 of the department shall be updated accordingly.</p>
6	Google map marked with irrigation land area and contouring from AGiSAC or private consultation for preparing DPRs of Irrigation schemes.	<p>CE WSSO presented the case for considering google map procured from AGiSAC for evaluating the irrigation area instead of revenue papers from revenue department for preparation of DPRs for irrigation projects. The collection of revenue papers like sazra map, khatoni, latha, delays the preparation of DPR of the proposal. Accordingly, Committee recommended the proposal to use the google map from AGiSAC for preparation of Irrigation DPRs.</p>
7	Split up of work	<p>CE D & M presented the case of split up sanction of works prevailing in JSV in front of the State Technical Advisory Committee as per assurance in respect of the Report of Comptroller and Auditor General of India for the year 2012-13 social, general and economical area Para No. 3.4.1.7 wherein Point of split up of work system was discussed and Secretary JAL SHAKTI VIBHAG has assured to the "Samitee" that matter of split up of works will be referred to "State Technical Advisory Committee" for detail comments. Accordingly, it has been taken up today.</p> <p>All Chief Engineers expressed their comments on the agenda and keeping in view the fact that at times due to paucity of funds, schemes cannot be taken as whole for tender to avoid cost escalation. After discussion, Committee recommended the prevailing split up of work as per core components notified vide No. IPH-CTR-32-2 Gen/Enlistment-Rules/2016- 2475-2548 dated 07th September 2016 and split up of work of distribution network as per notification No. IPH-CTR-32-2 Gen/Enlistment-Rules/2016- 2386-2455 dated 03rd February 2018 should continue. In addition to this the development of source of the scheme shall also be taken as 1st step to establish the required discharge as per water requirement. The matter shall accordingly be put up before Govt. for approval.</p>

The committee recommends the split up of following components of the scheme with prior approval of the competent authority:

Sr. No.	Components
1	Source Development complete in all respect (i/c WTP, 1 st Stage Pump House, sumpwell etc)
2	Civil works
3	Pumping Machinery and rising mains
4	Distribution networking
5	SOP

II. Proposal of the products received for Presentation:

S.No	Subject	Address	Product Details/Remarks	Decision
1	Registration as approved vendor of our 'SANT' Brand valves with your organization.	M/s Sant Valves Pvt. Ltd. G.T. Road Bye Pass, Jalandhar-144012 (PB). Contact No: +91-181-5084693-94-95, Email: info@santvalves.com	Gate, Globe and check valves in Bronze & Gun Metal and Cast Iron Sluice valves and Butterfly vales for water lines-ISI Marked SANT TEAM ales-Bronze, cast Iron, Cast Steel and Frogged steel. SBM Brand Bronze Industrial valves	The committee decided that the firm may undertake a demonstration of their product free of cost under JSV Circle Dharamshala.
2	Submission of Documents for Vendor Registration- SMI make Industrial valve.	M/s S&M Industrial Valves Limited, 1 A.J.C. Bose Road, 3 rd Floor, Kolkata-700 020, W.B. India. Contact No: +91-033-2282 3172 Email: info@steammining.com , sales@steammining.com	Cast Iron vales, cast steel, Stainless Steel & Forged Steel ales & spares of various type namely Gate, Globe, Check, Butterfly, Plug, Diaphragm vales, Foot valves, Pressure relief ales, Ball ales, strainers, sluice gate etc.	The committee decided that the firm may undertake a demonstration of their product free of cost under JSV Circle Hamirpur.

S.No	Subject	Address	Product Details/Remarks	Decision
3	Approval/ Registration of "Sabar" make A.C. Induction Electric Motor-rating upto 74.6 KW/100HP.	M/s Sabar Pumps Pvt. Ltd. 3704/A, G.I.D.C. Estate Phase IV, B/H, New Nirma Chemicals, Vatva, Ahemdabad-382 445 Gujarat-(India). Contact No. :25840501, 40506250 Email: sabarpumps@dataone.in	Three Phase A.C. Induction Electric Motor with rating 0.12 KW/0.16HP to 56KW/75HP	The committee decided that the firm may undertake a demonstration of their product free of cost under JSV Circle Nahan.
4	Empanelment / Sanction of approval for Iota flow make Flow Meters in water & sewerage improvement programs.	M/s IOTA FLOW Systems Pvt. Ltd., A-2/13, Mayapuri Industrial Area, Phase-II, New Delhi-110064. Contact No: +91-9315526661 Email: contact@iotaflow.com	Flow Meters	The firm didn't present its product before the committee. Hence, the committee deferred the proposal for next meeting.
5	SU make Submersible pump sets.	M/s SU Pumps, Ambala-Hissar Highway, Ballan-Sullar Road, vill. Sullar, Ambala City-134003 (Hyr.) India. Contact No.:0171-2840063, 83078-43077 Email: su_pumps@yahoo.co.in	Submersible pumps.	The committee asked the firm to submit the performance certificate of last 3 years from other govt. Agencies where the firm has already installed their pumps .
6	Approval of Danfoss Make Soft Starter and Variable frequency drive in Jal Shakti Vibhag.	M/s Danfoss Industries Pvt. Ltd. H.No. 52, Ashiana Colony, Derabassi, SAS Nagar, Mohali – Punjab-140507. Contact No: +91-98725 52428 Email: danfoss.india@dandoss.com	Energy Saving variable Frequency Drive and Soft Starter.	The committee decided that the firm may undertake a demonstration of their product free of cost under JSV Circle Bilapsur.
7	Make approval of Aarmation Electric Make VFD/AC Drive Motor Starter for Lift water supply	M/s Aarmation Electric Private Limited, Plot No. 26/3, Industrial Area Phase-2 Chandigarh-160002.	VFD/AC Drive Motor Starters	The committee decided that the firm may undertake a demonstration of their product

S.No	Subject	Address	Product Details/Remarks	Decision
	schemes, Lift Irrigation Schemes, Water Treatment Plants, Sewage Treatment Plants and any other Projects related to Irrigation and Public Health of Jal Shakti Vibhag Himachal Pradesh.	Contact No. 0172-4630466 Email: info@aarmentationelectric.com		free of cost under JSV Circle Una.
8	Request for inclusion of Savant Instrument Pvt. Ltd, Hyderabad as an approved Vendor for Instrumentation, PLC SCADA Automation and Water Quality Laboratory Equipments for Water Projects of Jal Shakti Vibhag.	M/s Savant Instruments Pvt. Ltd. Plot No. 220, Road No. 1, Doctor's Colony, Saroor Nagar, Hyderabad-500 035. Contact No.: +91-40-44602029 Email: sales@savantindia.in	Equipment and Turnkey services providers in the areas of PLC SCADA Automation and Water Quality Laboratory Equipments along with Electrical Works.	The firm didn't present its product before the committee. Hence, the committee deferred the proposal for next meeting.
9	Request to approve the Make: DAIKI AXIS (Japan) for Packaged Sewage Treatment Plant.	Anodyne Water Engineering Co Pvt. Ltd., Plot no. 340, HSIDC Industrial Estate Rai, District Sonipat, Haryana-131029. Contact No: +91-8950430340/ 8950431340 Email: info@anodyne.in , sales@anodyne.in , csales@anodyne.in	Monitoring of BOD, COD, TSS, pH etc RTWQMS instrument for Monitoring BOD, COD, TSS, pH etc	The committee decided that the firm may undertake a demonstration of their product free of cost under Mandi Zone in JSV Circle Sundernagar.
10	Request to approve the Make: TETHYS France for Real Time Water Quality Monitoring System (RTWQMS).			
11	Regarding Inclusion of our product in the upcoming Tenders for waterproofing, sealants, Curing compounds and Membrane category	IWL India Pvt. Ltd.W-360, North Main Road, Anna Nagar west Extension Chennai 600 101 India. Contact No. +91-99991-00064 Email: specification@iwl.in	Manufacturer of APP and SBS based bituminous membranes Liquid Water Proofing Membranes, Coating, Adhesives and Construction Chemicals	The committee decided that the firm may undertake a demonstration of their product free of cost under JSV Circle Shimla-09.

S.No	Subject	Address	Product Details/Remarks	Decision
12	Regarding Promotion and Supply of HDPE pipes for various application : Approval of vendor registration).	M/s Aditya Irrigation technologies Pvt Ltd , # 4&5 Kalikanagar Andrahali Main Road, Vihawaneedam Post, Bangalore Karnataka-560091. E-mail- aditya.irrigation@gmail.com	HDPE Pipes -20mm to 110 mm with PN 2.5 kg/cm ² to 16 Kg/cm ²	The firm didn't present its product before the committee. Hence, the committee deferred the proposal for next meeting.
13	Regarding empaneling our company in your Department for HDPE piping solutions	M/s Bharat Polymers , Plot No. 256, Sector-3, HSIIDC, Karnal-132001, Contact No.: 72060-70004 98966-51909 Email: bharatpolymers@gmail.com	HDPE Pipes-32mm-200mm	The firm didn't present its product before the committee. Hence, the committee deferred the proposal for next meeting.
14	Request for empanelment of our RASHMI MAKE DI pipe.	M/s Rashmi Metaliks Limited, Premlata Building, 39 Shakespeare Sarani 6 th Floor Kolkata-7001 017 India Contact No: 033-22894255/56 Email: diptender@rashmigroup.com		The firm didn't present its product before the committee. Hence, the committee deferred the proposal for next meeting.
15	Regarding Brand Registration / Make approval of MS, RHS, SHS & Round Black Pipe "AVON STEEL" Make & Hot Rolled Coils.	M/s AVON STEEL Industries Pvt. Ltd., Phase VIII, Focal Point, Chandigarh Road, Ludhiana-141010 Contact No:+91-161-5210100 Email: info@avonsteel.com	Hot Rolled Coils ,Thickness 1.2 to 8mm, width 150-520 mm	The firm didn't present its product before the committee. Hence, the committee deferred the proposal for next meeting.
16	Empanelment of RITES for Third Party Inspection of Material, Machine and Equipments	Northern Region (Inspection Wing), Scope MINAR, Core-II, 12th Floor, Laxmi Nagar, Delhi-110092)	Third Party inspection of all engineering items including various types of Mechanical/Civil/ Electrical	During the meeting, firm expressed its view of point as, it is not getting any

		Contact No: 011-22029101 Email: nrinspn@rites.com	Items and Equipments, Machine & Plants etc.	participation in any of the work in Himachal Pradesh. CEs assured to look into the matter and take necessary action.
17	Submission of document of indigenous manufacturer of BLDC Solar Pumps.	M/s Sileaf Technologies Pvt. Ltd., Second Floor, Shiwana, Paud Road, Kothrud, Pune-411038 India. Contact No.: +91-8208280245 Email: info@sileaf.com	Solar DC Pumps. Pumps can be used for Ground water and Surface water sources.	The committee decided that the firm may undertake a demonstration of their product free of cost under JSV Circle Nurpur.
18	Regarding empanelment for third part inspection.	M/s International Inspection Services (P) ltd. Company, Kukatpally, Hyderabad-500 072 India. Contact No.: +91-040-23073403 Email: iispl@iispl.net		Firm may be asked to provide the documentary proof of empanelment with any Govt. Agency in the country.
19	Regarding Technical Presentation on SMC/GRP Panel Tanks.	M/s SOVISY Solutions, 65, Shreji Estate, At & PO: Chhatral, Dist: Gandhinagar Gujrat-382729. Contact No: 81451 45222 Email: info@sovisy.in	Water Tanks using SMC-Hot Press Moulding Process	The committee decided that the firm may undertake a demonstration of their product free of cost under JSV Circle Chamba.
20	Request for Presentation on concept note submitted by Darashaw company Pvt. Ltd. And Heta Datain JV for providing solutions for Power Consumption optimization in PUMPS.	M/s Darashaw & Company Pvt. Ltd., 1205-06 Regent Chambers, 208 Nariman Point, Mumbai-400021 Contact No: +91-22-66306612/13/14 Email: consultancy@darshaw.com	To reduce the power consumption in pumps more than 15% through real time monitoring and optimizing Pump performances parameters.	The firm didn't present its product before the committee. Hence, the committee deferred the proposal for next meeting.

S.No	Subject	Address	Product Details/Remarks	Decision
21	Request for online Presentation-Cum-Demo for Utilization of GIS in Jal Jeevan Mission.	M/s ESRI India Technologies Pvt. Ltd) 10 Floor, Max Tower Sector-16-B, Noida Uttar Pradesh-201301. Contact No: +91-9988996857 Email: vinay.2.gupta@esri.in		The committee decided that the firm may undertake a demonstration of their product free of cost under Mandi Zone.
22	WAPCOS Expression of Interest: (For preparation of detailed project reports, Conceptualization, Project Management Consultancy, Construction of various Infrastructure works (on Deposit Work basis) and execution Services to upcoming Development works-reg.	M/s WAPCOS Limited, 76-C, Institutional Area, Sector-18 Gurugram-122015 (Haryana), India. Contact No. : +91-124-2399421 Email: ho@wapcos.co.in	Preparation of Feasibility report, Detailed Project Reports, Engineering Designs, Tender Engineering, Quality control, Monitoring and evaluation, Project Management, Turnkey Execution, EPC Contract in Civil, Electrical and Mechanical works.	The firm didn't present its case before the committee. Hence, the committee deferred the proposal for next meeting.
23	Request for an Online Demonstration for Implementation of GIS & MIS based Project Monitoring Solution of Jal Shakti Vibhag Govt. of Himachal Pradesh	Cyber Swift Infotech Pvt. Ltd. DN-52, Srijan Tech Park, 6th Floor, Sector-v, Salt Lake City, Kolkata-91, WB Contact No: 03333546600/33546603 Email: Dip.rituparna.paul@cyber-swift.com	GIS based Network, FHTC along with other asset survey and mapping, Area/ Zone wise mapping. Physical Completion of FHTC connected villages. Digitization of BOQ, e-MB Book for mobile based data etc.	The firm didn't present its product before the committee. Hence, the committee deferred the proposal for next meeting.
24	Request for Exclusion Seminar for all Jal Shakti Vibhag Engineers on "How to reduce the corrosion losses in Infrastructure and Construction of Upcoming projects with usage of Galvanized Steel	M/s International Zinc Association, Flat No. G-1 & G-5, Ground Floor, Plot No. 9, Allied Bhaean, Local Shopping Centre, Madangir, New Delhi-110062. Contact No.:+91-11-29960040		The department is always using galvanized GI/MS pipes hence no separate approval is required.

S.No	Subject	Address	Product Details/Remarks	Decision
	Products with our Experts".	+91-7982761033 Email: gaurav@zinc.org		
25	Regarding technical presentation.	M/s Homeseva-Authorized Partner. Contact No. 7028782783 Email: sales@homeseva.co.in	Modular Toilet, Portable Cabin for office use, Clean Drinking Water ATM, Prefab Housing Solution Parking Shed, Walkway shed	The firm didn't present its product before the committee. Hence, the committee deferred the proposal for next meeting.
26	Regarding Consultancy and design of Electric systems.	M/s Coronet, 14, Industrial Area Tilak Nagar, Behind Subhash Nagar Metro Station New Delhi-110018 Contact No. +91-11-2598 2598 Email: coronet@coronet.in		The committee asked the firm to contact CE (WSSO) for further directions regarding pilot project.

III. Proposal for which the registration process completed and requires approval of the committee.

S. No	Subject	Address	Product Details/Remarks	Comments/ Action Required to be taken
I	Application for approval of Brand for the products Open-well & Bore well Submersibles, Centrifugal Mono-bloc Pumps.	M/s Angel Pumps (P) Limited. Contact No. 91 2827 287150-51 52 Email: info@pumpsangel.com	During the 2 nd of SLTC held on 31.10.2019 it was decided that the firm shall undertake a demonstration project for submersible Pump only in the Department. The performance report of Angel Pumps has been received from SE JSV Circle Solan vide letter No. 3738-40 dated 10.09.2021 As per the report received, the performance of the product has been found satisfactory and recommended for its use in the department.	The committee directed the Superintending Engineer, JSV Circle Solan to submit the performance report of Angel pumps after 1 year successful operation from the date of installation of the product. Action By: Superintending Engineer, JSV Circle Solan.

2	Approval of Forbes Marshall Make PLC/SCADA and Water Quality Analysers (PH/ TDS/ DO/ Conductivity/ Chlorine/ BOD/ COD/ PH/ TSS, Ammonia/Turbidity etc.	M/s Forbes Marshall Pvt. Ltd., SCF-38, Ph-1 st SAS Nagar Mohali, Punjab-160065 Contact No 91-172-2210026 8288020349 Email: drdsharma@forbesmarshall.com	The firm informed the committee that its PLC/ SCADA system has already been installed under Hamirpur Zone, therefore, the committee decided that the Chief Engineer (HZ) will submit the performance evaluation report of the PLC/SCADA installed by the firm. In addition, the firm shall undertake a demonstration project for its Water Quality Analyser products under JSV Circle Hamirpur. Further decision in this regard shall be taken after the receipt of the performance report from the Superintending Engineer, JSV Circle Hamirpur.	The Committee decided to approve the Forbes Marshall Make PLC/SCADA and Water Quality Analysers (PH/ TDS/ DO/ Conductivity/ Chlorine/ BOD/ COD/ PH/ TSS, Ammonia/Turbidity etc).
3	Regarding approval of Havells make IE2,IE3 three phase LV induction Motors	M/s Havells India Ltd, SCO 12,1 ST Floor, 26 Madhya Marg, Chandigarh - 160019 Contact No 0172-4232400-401 Email: chandigarh.office@havells.com	The performance report been received from SE JSV Circle Hamirpur vide letter No. 7276-77 dated 17.11.2021. As per the report received, the performance of the product has been found satisfactory and recommended for its use in the department.	The Committee decided to approve the Havells make IE2,IE3 three phase LV induction Motors

			<p>Kodri Majri Under JSV Division Poanta. The performance of the motor is being observed.</p> <p>The SE JSV Circle Nahan vide letter No. 6033 dated 27.08.2021 intimated that the Motor worked daily for 6 hours running with voltage 400-390V with a load of 40 AMP without any trouble and issue and recommended for its use in the department.</p>
