Continued to next page..

It has come to the notice of the Govt. that the Executive Engineers as well as Superintending Engineers are managing their deployment/posting of their own choice and condition to serve in design/works/P&I/Store Purchase is being ignored by them. At the time of promotion to the post of Chief Engineers, when this fact comes to the notice of the officer(s) they give many reasons/pleas in support of not serving in design and even approach to the Court of Law.

Therefore, it has been decided that all Executive Engineer(s) and Superintending Engineer(s), shall give their options for their posting in design/works/P&I/Store Purchase through the Engineer-in-Chief, IPH latest by 29th February, 2016. In case, the officer does not opt for posting in design/works/P&I/Store Purchase within stipulated period, it will be presumed that he is not interested to get promotion and he will be responsible himself, in case, he is found ineligible for promotion to the post of Chief Engineer. No relaxation in Rules shall be granted at later stage. **You are, therefore, requested to upload the letter in the website of I&PH Deptt. for strict compliance.**

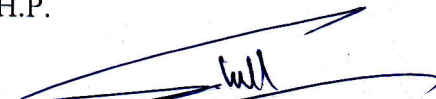

Yours faithfully,
