Subject: -

Strict Adherence of Peak Load Violation immediate instructions thereof.

It has been observed that various pumping station remain operational during peak load hours leading to violation of peak load protocol issued by the HPSEBL resulting in levying of heavy penalties to the Jal Shakti Vibhag. The duration of the peak load in summers and winters is for a period of three hours in the evening which is as follow:-

Summer:- April to October, 7:00 PM to 10:00 PM.

Winter:- November to March 6:30 P.M. to 9:30 PM.

The violation in excess of 5 times in a year shall result in disconnection of defaulting consumers without prejudice, in such event no higher voltage rebate shall be applicable/achievable in respect of peak hours of the day. Due to this violation huge amount has to be paid to HPSEBL by the Jal Shakti Department every month. This has been viewed seriously and action as deemed fit shall be taken against erring officers/officials in future.

Strict directions may be imparted to all field staff responsible for operation of pumping station, under your jurisdiction.

Please treat it as utmost urgent.
