

HIMACHAL PRADESH
STATE WATER AND SANITATION MISSION
WSSO, DHALLI, SHIMLA-171012

NO: SWSM-WSSO-IEC/Vol-6/2015-16/ 1139-73
To

Dated:- 06-08-2016

The Member Secretary, DWSM
cum Executive Engineer,
IPH Division Bilaspur, Hamirpur, Shimla, Solan,
Dharamshala, Chamba, Una, Nahan, Mandi,
Kullu, Kaylong and R/Peo.

Subject: "Four Days Water and Sanitation Awareness Campaign" under National Rural Drinking Water Programme (NRDWP)

As usual, the ensuing monsoon season may bring with itself various types of water borne diseases. These diseases can be controlled and prevented to a large extent by preventive actions taken at community level such as using drinking water from safe water sources, proper treatment of water at household level like boiling of water, use of chlorine tablet etc., cleanliness around drinking water sources, safe handling of drinking water and adopting good sanitation practices etc.

To make the community aware on the above cited issues and as per the directions of the Secretary (IPH) to the government of Himachal Pradesh, a **"Four Days Water and Sanitation Awareness Campaign"** is to be launched in each district of the State from 17th-20th August, 2016. The suggestive action plan for the campaign is enclosed for ready reference at **Annexure-A**.

The expenditure shall be borne by respective DWSM under IEC head "Mid Media Activities at Sr. No. 3" of district Annual Action Plan 2016-17 under NRDWP (Support Fund). The tentative cost of expenditure during the campaign is also enclosed.

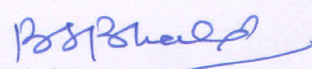

A well documented report along with photographs be submitted to this office by each DWSM within 15 days after completion of the campaign and the activities carried out will also be uploaded on IMIS positively.

Encl: As above

Chief Engineer
cum Director (WSSO)
Dhalli, Shimla-12
