No.IPH-SP-I-GI Pipes-Vol-103/2016-7765-82
To

Dated 30.03.2016

All the Chief Engineers,
I&PH Department, H.P.

Subject:-

Review of status of pipes by Hon' ble IPH Minister on 17.03.2016.

Your attention is drawn towards this office D.O. No.IPH-SP-I-GI Pipes/2016-1802-05 dated 28.03.2016 vide which decision taken in the meeting held under the Chairpersonship of Hon'ble IPH Minister on dated 17.03.2016 conveyed vide Secretary(IPH) to the Govt. of H.P. letter No.IPH-B(F)5-2/2013-Part-I dated 23.03.2016 (copy enclosed).

As observed from the IMIS module the MAS & Stock balances of G.I.Pipes of various divisions available in stocks is to the tune of 21690.66 MT on dated 31.01.2016, which as per average monthly consumption of G.I.Pipes in the state is sufficient to meet the requirement of next 6-7 months. Although strict instruction has already been conveyed to transfer the surplus pipes within divisions, circle, zones as well as inter zone, it appears that this exercise has not been carried out as various public representatives are time and again raising the issue of non-availability of G.I. Pipes in most of the divisions.

It is, therefore, once again emphasized that extensive exercise starting at Sub-division level be made immediately to work out the net requirement of pipes as well as surplus pipes in each Sub-division for necessary action to be taken by the concerned Division/Circle/Zone. Information on the following proforma be prepared and conveyed to this office while carrying out this exercise:-

Sr. No	Name of Sub-Division	G.I. Pipe (dia-wise) balance as on last date of preceding month (in MT)			G.I. Pipes (dia-wise) likely to be utilized in the next 3 months	Dia-wise additional requirement of G.I. Pipes for next 3 months, which is not available in MAS/ STOCK
		MAS	Stock	Total		

This proforma shall reach next superior officer by 5th of every month i.e. from AE to EE from EE to SE and from SE to CE. Chief Engineers should send consolidated information with clear requirement of specific dia pipes to this office in forwarding letter.

Based on the information received by every 5th, the superior officer will be responsible for transfer of pipes within his jurisdiction in the next 15 days. While making transfer, the superior officer shall be held responsible if such transfer will create avoidable shortfall in the sub-division/division/circle from where the transfer is effected.

Please ensure that above information may be supplied to this office strictly as per prescribed schedule.

(E. R. K. Kanwar)
Engineer-in-Chief,
I&PH Department,
U.S.Club, Shimla-2

ENC
E-E (SP)

Sir,

Ne 27/3

I am directed to refer to the meeting held under the
Chairmanship of Hon'ble IPH Minister on dated 17.03.2016 in her chamber in H.P.
Vidhan Sabha.

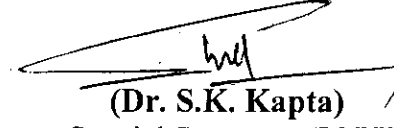

Am
26-3-16

With respect to the issue of shortage of pipes being raised by
some public representative, the Department may issue orders authorizing and fixing
responsibility for short term transfer of pipes within jurisdiction of specific officers so
that there is no shortage either in the place where inadequacy is felt or in the place
from where pipes are transferred. For example, Executive Engineers should be assigned
responsibility to do transfers of pipes within their jurisdiction, Superintending Engineers
beyond that (that is within Circles), Chief Engineers within Zones and inter-zone
transfers be made at Engineer-in-Chief level.

A performa be devised to check for availability within
each unit/division so that no sudden shortfalls occur. The superior officer responsible
for making short term transfers should review this every month and be totally clear of
the status of pipes in his jurisdiction. Serious note will be taken of complaints of
shortages once such instructions are issued. The office demanding pipes must ask for
specific diameter pipes atleast one month before he expects an inadequacy to occur to
enable the superior office to make proper arrangements.

The orders be issued to all concerned within 2 days,
under intimation to this office.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'S.K. Kapta', is written over a horizontal line. The signature is slanted upwards to the right.

(Dr. S.K. Kapta)

Special Secretary (I&PH) to the
Government of Himachal Pradesh.
