Item No-VI

**Releasing of final payment of D.I. Pipes procured during the year 2023-24.**

The Member Secretary apprised the Committee that as per approval of Screening Committee meeting on 15.09.2023, the supply order for procurement of D.I. Pipes of 150mm K-7 for the year 2023-24 were placed on 25.10.2023 in favour of the firm M/s Jindal Saw Limited & M/s Tata Metaliks Limited and further as per decision taken by Screening Committee meeting in above meeting, the following terms and conditions were included in the supply orders:

**"Videography should be done at the time of dispatch of goods from factory premises, as well as, at the time of receipt at consignee end. Besides, GPS tracking of loaded trucks should be introduced to avoid chance of any pilferage during transit".**

Now the H.P. State Civil Supplies Corporation Limited Shimla-9 has informed to this office vide letter dated 23.01.2024 & 27.01.2024 that the above firms have supplied the material without the videography or GPS tracking vehicles as the necessary clarification in this regard has been issued by the H.P. State Civil Supplies Corporation Shimla-9 to all the firms on 11.12.2023, as elaborated in the Screening Committee meeting held on 08.12.2023, as under:

**"The GPS tracking & videography at the time of loading of material & its transshipments shall be ensured by the concerned firms as well as representative of H.P. State Civil Supplies Corporation and the concerned consignees be directed to ensure proper check of Quality & Quantity of Pipes at consignee level at the time of unloading of material with proper videography".**

Since the D.I. Pipes were required by the consignees for NGT Works hence the D.I. Pipes were supplied by the firms on or before 11.12.2023. Further the firm M/s Jindal Saw Limited has also transported/transshipped the material without the presence of representative of H.P. State Civil Supplies citing the reason for urgency of material by consignee and non-availability of trucks directly from their factory premises to consignee end.

On perusal of GRs, Bills & Form-D as supplied by the firms it has been found that the D.I. Pipes were received by all the consignee in good and satisfactory conditions. Moreover both Firms have reputed identities & supplied the material to Department for last many years (Since 2005) and till date no quality issues have been noticed in the material of both the Firms.

In view of above facts, due to lag end of financial year 2023-24 and completion of financial targets for the year 2023-24, it was proposed that in 1<sup>st</sup> instance, we may release 90% payment to the firms and further withheld the 10% payment along with EMD of Rs. 10.00 Lakh and Bank Guarantees of Rs. 25.00 Lakh till the final decision of Screening Committee in the matter.

Further the Member Secretary apprised that the Pre-Screening Committee, in its meeting held on 15.03.2024, decided that the part payment (90%) be released and further recommended that the final payment including Earnest Money and Bank Guarantee be held up to the final decision of Screening Committee. It was also decided by the Pre-Screening Committee that terms and conditions to be adopted for conducting videography & GPS tracking in future tenders and supply orders, be also placed before Screening Committee.

Accordingly the Pre-Screening Committee in its further meeting held on 29.06.2024 recommended the following proposal for terms and conditions for videography & GPS tracking of material i.e. G.I Pipes & D.I. Pipes as prepared for approval of Screening Committee is as under:

- To ensure proper check of Quality & Quantity of Pipes, the videography at the time of loading of material & its transshipments shall be done by the representative of H.P. State Civil Supplies Corporation at factory premises or transshipment point and at the time of unloading of material at destination by concerned Consignee.
- For tracking of vehicles carrying material, only GPS based vehicles shall be used by the Firms and copy of e-way bill shall be deposited by the firms at the office of consignee and H.P. State Civil Supplies Corporation Shimla-9.

During the course of Meeting, the Managing Director suggested that option of considering the recording of clear CCTV footage if facility available with the firms during uploading as well as transshipment should be allowed, otherwise videography is mandatory.

After detail discussion the Committee approved the above proposal and decided to include in terms and conditions of tender/supply orders of GI/DI Pipes and further approve to release the balance payments of above firms.
